WORK EXPERIENCE

Team Lead and Front Staff

Apr 2024 - Present

A&W Fast Food Restaurant • Calgary, Canada

- Maintained drive-through service times between 65-80 seconds, enhancing operational efficiency and customer satisfaction.
- Trained and onboarded four employees, improving team productivity and cohesion.
- Managed cash handling, drawer audits, and operational decisions in the absence of the manager, ensuring seamless daily operations.
- Reduced food wastage and boosted sales through proactive quality control and customer engagement.

Seasonal Sales Associate

Oct 2023 - Dec 2023

The Source (Now BestBuy Express) • Calgary, Canada

- Increased sales by engaging customers and promoting technology products and services.
- Provided effective technical support, resolving customer issues and ensuring high satisfaction.

Data Analyst Intern

Feb 2023 - Mar 2023

PropAll • Remote

- Independently collected, cleaned, and standardized a dataset of 500+ properties in Bangalore through web scraping using Python, ensuring high-quality data for ML model integration.
- Conducted comprehensive data analysis in Excel, identifying and interpreting trends and patterns in the real estate market, and developed insightful data visualization dashboards using Tableau.
- Collaborated with the CTO in a startup environment to understand ML model requirements, preparing and optimizing data format for seamless integration into the ML pipeline.

VOLUNTEER WORK

Data Analyst (Data Lead Regional Level)

Mar 2021 - Oct 2023

Aga Khan Education Service India • Mumbai, India

- Successfully managing and coordinating with the Convenors and fellow team members and presenting them with valuable insights to help increase the reach of various programs by 10-20%.
- Collected data, cleaning and updating them monthly and presenting insight able reports to help other teams with their programs using Excel and Google Workspace.

Talk Show Host & Project Manager

Mar 2023 - May 2023

ATLAS SkillTech University • Mumbai, India

- Co-hosted successful episodes of "AI Unplugged: Beyond the Buzz Words," engaging 1k+ viewers using YouTube Analytics.
- Managed end-to-end production (Proposal to Execution of the show), ensuring high-quality shows, and organizing informative discussions with industry experts, professors and students.
